

WMMS Athletic Booster Club 2016-17 Athletic Pass Application

The WMMS Booster Club is a nonprofit, volunteer organization established to help support the athletic programs and student athletes at West Millbrook Middle School. Funds raised by the WMMS Boosters through membership and other fundraising events will make it possible to provide assistance with coaching stipends, Safety Tech Stipends, uniforms and equipment for the football, soccer, basketball, track, softball, baseball, volleyball and cheerleading programs. All funds raised by the WMMS Boosters are returned to the school athletic programs with special needs prioritized by each program.

NOTE – Athletic Passes are NOT eligible for “Battle of the Brooks” or games hosted at any other school – our passes are good for regular, home, league games! (Other schools and MHS support their athletes with gate admissions just like we do when visiting teams come to us...)
